

## **ENVIRONMENTAL POLICY**

GT Technologies – Tallahassee is committed to protecting the environment and to providing an environmentally responsible workplace. Under this policy, GT Technologies is committed to the following:

- Continuous improvement of our Environmental Management System, which includes setting environmental objectives and targets;
- Preventing pollution by reusing and recycling process materials, conserving natural resources, and minimizing wastes;
- Compliance with applicable laws, regulations, and other requirements relating to the environmental aspects of our activities and products;

The Plant Manager is responsible for ensuring the availability and allocation of resources to establish, implement, maintain, and improve the environmental management system.
